*"I cannot properly express how grateful I am for everything that (Griffith Centers) did to help me. I know that a lot of the time I was a brat, but you stuck through it. My life is a little different now...I am now reunited with my siblings. I'm at a junior college to get enhanced high school credits. I took an English 1A course, and I got an A. I also entered an essay contest and got First Place. I am a cashier at (a local store), as well as a lab assistant at (college). I still read voraciously... Give my love and gratitude to all, and write back if you can...I miss you."*  
 Alex, 15

*Each player receives a round of golf, use of the driving range, breakfast, lunch, cocktails, sleeve of balls and player gifts.*
